Submitted: October 31, 2001

Filed: November 2, 2001

Before HANSEN, FAGG, and BEAM, Circuit Judges.

PER CURIAM.

Arkansas inmate Anthony Nelson appeals the district court's* dismissal without prejudice of his 42 U.S.C. § 1983 complaint against four Arkansas Department of

*The Honorable Stephen M. Reasoner, United States District Judge for the Eastern District of Arkansas.

Corrections employees for failure to exhaust administrative remedies. Having carefully reviewed the record, we conclude the district court's dismissal was proper. Although Nelson's supporting documents show he had exhausted administrative remedies with defendant Ricky McCarrell at the time of the district court's ruling, Nelson fails to show he had exhausted them with the remaining defendants. See Graves v. Norris, 218 F.3d 884, 885 (8th Cir. 2000). Accordingly, we affirm. See 8th Cir. R. 47B. We also deny Nelson's pending motion.
